Subject: Label Amendment – Response to Agency Initiated Request, revision of the precautionary statements based on revised toxicity categories
Product Name: Diflubenzuron Technical
EPA Registration Number: 69554-5
Application Date: 6/10/2014
Decision Number: 492225

Dear Ms. Huebl,

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. The next label printing of this product must use this labeling unless subsequent changes have been approved. You must submit one (1) copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). If you have any questions, please contact Jacquelyn Marchese by phone at (703) 347-0559, or via email at marchese.jacquelyn@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Meredith F. Laws", is written over a horizontal line.

Meredith F. Laws, Chief
Insecticide-Rodenticide Branch
